LINE SHEET

AIR: Watts FluidAir Filters, regulators, lubricators, Laman dryers, Polyflo fittings, Foster quick couplings, tubing, hose

LUBRICATION: Alemite fittings, Dutton-Lainson oilers, grease guns

AMMONIA: Henry Valve ammonia valves, Refrigerating Specialties, Hanson

BACKFLOW PREVENTERS: Watts Regulator, Wilkins Regulator, Ames, Febco reduced pressure backflow preventers, double detector check backflow preventers, and repair parts

BALANCE VALVES: Victaulic Tour & Anderson, Bell & Gossett, Watts Regulator

BOILERS: Steam, hot water

BRASS: Flare, compression, pipe fittings, hose adapters and insert fittings

CONTROLS FOR BOILERS, HEATING AND AIR CONDITIONING: Honeywell Flame Safeguard, Johnson Controls, Fireye, and Watlow

CONTROLS FOR STEAM: Spirax Sarco and Watson McDaniel temperature and pressure regulating valves, steam traps, pressure reducing valves and relief valves

FLEXIBLE CONNECTORS: Stainless steel: threaded and flanged ends

FLANGE GASKETS AND ACCESSORY KITS: non-asbestos, spirowound, teflon, neoprene, red rubber

GROOVED FITTINGS AND VALVES: **Victaulic** painted and galvanized grooved fittings and valves including ball valves, butterfly valves, and check valves.

HEATING PRODUCTS: **Roberts-Gordon Co-Ray-Vac** gas-fired low intensity heating products, unit heaters, direct and indirect fired makeup air units and air turnover units. **Modine** high intensity heaters, and steam unit heaters.

CLAMPS: **Ideal** all stainless steel worm gear hose clamps

WATER HEATERS: **Lochinvar** commercial and residential hot water heaters: electric, natural gas and propane. **Tagaki and Noritz** tankless gas water heaters **Eemax** electric tankless heaters.

INSULATION: **Accessible Products** Techlite insulation and fittings, **Imcoa** closed cell and split rubber insulation, sheet insulation, PVC jacketing

LUBRICANTS, PIPE SEALANTS AND CEMENT/PRIMER: **Antiseize Technology** antiseize compound, zinc cold galvanizing compound, silicone spray, **Highside Chemical** leaklock sealant, leak detector, **A. W. Chesterton** gold end pipe sealant, **Rectorseal #5** pipe sealant, **Federal Process** Gasoila pipe sealant, **Hercules Chemical** Megalock pipe sealant, **William H. Harvey** pipe thread compound and TFE paste, **IPS Corporation** PVC cements/primers for all sizes and types of PVC pipe, pipe thread compound

PIPE: black and galvanized Schedule 40 threaded & coupled pipe: 1/8"-4"

Black and Galvanized Schedule 40 plain end pipe: 1/8"-12"

Black and Galvanized Schedule 40 grooved end pipe: 2"-8"

Black Schedule 80 plain end pipe: 1/8"-4"

Galvanized Schedule 80 plain end pipe: 1/2"-4"

Black Schedule 10 grooved end pipe: 2"-6"

Black Schedule 80 A106 seamless plain end pipe: 1/2"-4"

Stainless steel Type 304 Schedule 40 plain end pipe: 1/4"-8"

Stainless steel Type 304 Schedule 10 plain end pipe: 1/2"-8"

PVC Schedule 40 belled end pipe: 1/2"-12"

PVC Schedule 80 gray plain end pipe: 1/4"-12"

CPVC Schedule 80 gray plain end pipe: 1/2"-6"

PVC SDR-21 class 200 gasketed pressure pipe: 2"-8"

PVC C-900 DR-18 class 150 water main pipe: 4"-15"

PVC SDR-35 gasketed sewer pipe: 4"-15"

PVC SDR-26 gasketed sewer pipe: 4"-10"

Cast iron soil pipe: Service weight: 2"-15" No-hub: 1 1/2"-15"

Orion acid waste pipe, **Spears** acid waste pipe

Poly gas pipe: PE 3408 coils 3/4"-3"

PEX pipe **Zurn and Uponor**

Aquatherm pipe

PIPE FITTINGS: brass, carbon steel butt weld 150# & 300#, cast iron soil pipe: service weight and no-hub, forged steel 3000# threaded and socket weld, malleable iron 150 & 300#, PVC: schedule 40 and 80 pressure, PVC-DWV, SDR-35 gasketed and solvent weld sewer, stainless steel: 150# threaded, 3000# threaded & socket weld, schedule 10 & 40 butt weld, camlock fittings: aluminum: 1 1/2"-4", polypropylene: 1 1/2"-2", **Orion** acid waste fittings: mechanical joint & socket fusion, **Spears** solvent weld acid waste fittings poly gas socket fusion and steel compression, gas risers: butt fusion and steel compression. Copper fittings 1/8"-6", Pro Press copper fittings 1/2"-4, **Victaulic** painted, galvanized and stainless steel grooved fittings and valves, **Viega** stainless steel

ProPress fittings and valves; Megapress carbon steel fittings. **Uponor and Zurn** PEX fittings, expansion and crimp ring styles. **Aquatherm** products.

PIPE HANGERS AND ACCESSORIES: auto grip hangars: zinc, copper plated and stainless steel, clevis hangars: zinc plated, plain, stainless steel, riser clamps: plain, copper plated, and stainless steel, beam clamps: zinc, plain and stainless steel, unistrut clamps: zinc, copper plated, stainless steel, “cushion” unistrut clamps, all thread rod: plain, zinc plated and stainless steel, u-bolts: plain and zinc plated, unistrut: plain, galvanized and stainless steel: solid and slotted, spring nuts, hex nuts, flat washers, lock washers, fender washers

PRESSURE GAUGES, THERMOMETERS AND ACCESSORIES: **H. O. Trerice** 2 ½” & 4” face, 30”Hg vacuum thru 5000PSI dry and liquid filled gauges, ammonia gauges: 2 ½ & 3 ½” face: 30”Hg x 150PSI & 30”Hg x 300PSI, gauge cock ball valves and needle valves, pressure snubbers, impulse dampeners, **Span Instruments** liquid filled gauges 2 ½”-6” face: 30”Hg-5000PSI, **H. O. Trerice** bi-metal thermometers: 2 ½”-12” stems, vapor actuated remote dial thermometers, adjustable angle thermometers, pressure/temperature plugs, **Pyromation** RTD’s and thermocouples

PLUMBING FIXTURES: **Toto, Zurn, American Standard:** water closets: tank type, flush valve type, handicapped, pressure assisted, lavatories: wall hung, drop-in countertop, handicapped, urinals. **Bemis Seat** closet seats, **Chicago Faucet, Delta Faucets, Symmons, Zurn** faucets, pressure balance valves, **Elkay** water coolers, stainless steel sinks, **Insinkerator** garbage disposals, **Zurn** mop basins, laundry tubs, **T&S Brass** faucets, pre-rinse valves, **Toto and Zurn** flush valves, faucets including water conservation products, **Halsey Taylor** water coolers, **Bradley, Guardian, Haws** emergency eye wash and shower stations, **Prier, Woodford** wall hydrants. **Sloan** sensor flush valves and faucets. **Matco-Norca** faucets

PLUMBING PARTS AND ACCESSORIES: tubular brass and PVC, supply fittings and stops, escutcheons, bowl wax rings, **Plastic Oddities, Jones-Stephens, Oatey, Sioux Chief, Fernco** couplings, **Cherne** test plugs and test caps

PUMPS: **Bell & Gossett, Taco, Armstrong, Zoeller, Liberty and Little Giant** sump pumps

SIGHT GLASSES: **United Brass Works** gauge glass valves, **Owens-Corning** sight glasses, **John C. Ernst**

SOLENOID VALVES: **J. D. Gould** steam and water solenoid valves, **Parker** (general purpose) water solenoid valves, **ASCO** solenoid valves, **Refrigerating Specialties** solenoid valves, **KIP** solenoid valves, **Mead** solenoid valves, **Hays** solenoid valves

SANITARY STAINLESS STEEL: sanitary stainless steel fittings: butt weld and tri-clamp, tri-clamp ball valves and butterfly valves, sanitary tubing (polished ID & OD) sanitary gaskets: BUNA and TFE

TOOLS: **Ridgid** tools, **Lenox** hole saws, saw blades, self-feed wood bits, wood boring bits, hand tools, vise-grips, channellock pliers, **Klein** nut drivers, **Dormer** drill bits, **Reif & Nestor** taps, extension cords, wrenches, screwdrivers

TUBE FITTINGS: brass, copper, **Parker Ferulok** steel compression fittings, **SSP** stainless steel compression fittings,

TUBING: copper tube: Type L hard: ½”-4”, Type L soft: ½”-2”, Type K hard: ½”-4”, Type M hard: ½”-4”, Type ACR (Oxy/Med) hard: 3/8”od-4 1/8”od, refrigeration coils: 1/8”od – 1 1/8”od, carbon and stainless steel tubing, **Poly-flo** tubing, clear vinyl and nylobraid tubing, red rubber air hose, copper instrumentation tubing

VALVES: **NIBCO:** bronze and iron gate, globe and check valves, bronze, carbon and stainless steel ball valves, butterfly valves, PVC true union ball valves and ball check valves, PVC standard socket and threaded ball valves, PVC butterfly valves, **Spears Manufacturing:** PVC true union ball valves and ball check valves, standard socket and threaded ball valves, PVC butterfly valves, **Durabla** stainless steel check valves **Syracuse Stamping** molasses valves **United Brass Works** steam blow down valves. **Watts** ball valves, **Conbraco/Apollo** ball valves
H. O. Trerice air operated and self-operating temperature process control valves

FIRE PROTECTION PRODUCTS: **Victaulic** Firelock fittings, valves, sprinkler heads and devices. **Spears** Flameguard CPVC pipe and fittings, **Ames** in-building risers.
